

CORNBREAD COUNTRY

PERSONAL CHEF - LAVONDILYN J. WATSON

Simple, DOWN-HOME-Style, COMFORT FOOD FOR YOUR FAMILY

Hey there!

Thank you for allowing me to cook for your family! There really is nothing like sitting down to a **simple, down-home-style, comforting meal**...one that feels like home! I love comfort food – Salisbury Steak and Creamy Mashed Potatoes, Fried Chicken and Southern Red Rice, Beef Stew and Baked Macaroni & Cheese, and please don't forget the cornbread. You have to have *cornbread*! If, like me, you like country cookin', I'm honored to feed you my favorites done my way ;)

Whether you are simply too busy to cook weekly meals for your family, have never learned how, or just choose not to, I've got you covered! I'll do the shopping, prepare the meals in a professional, DHEC-inspected kitchen, package them up and deliver them to your home once per week. You'll simply have to "heat & eat" all week! Convenient, isn't it? My clients think so!

Our NEW menu is attached for you. Getting started is easy as pie!

1. Determine the number of family meals you'd like per week or month & choose the package best for your family
2. Select your menu items
3. Email your order to myorder@cornbreadcountry.com before **Thursday at noon** for Monday delivery (orders placed over the weekend will be delivered on Tuesday or Wednesday)

Once I receive your emailed order, I will email you an electronic invoice via Paypal, which you can pay by debit or credit card. *Once your invoice is paid, your meals will be prepared, packaged and delivered on the delivery date specified between 5-8PM.* See, easy as pie!

If you have any questions, or any special requests, please feel free to [email](#) our team. We do very our best to respond quickly, but keep in mind, we are in the kitchen. We promise to return your call or email ;)

I look forward to cooking for your family. **Thanks for allowing my down-home-style meals a place at your table!** Make sure you leave enough room for the cornbread – again, you absolutely *have* to have the cornbread.

Welcome home.
